Sir,

The President, District Board,
South Kanara - Mangalore.

Sir,

The mid-wife attached to the Rural Dispensary at Vittal had conducted only ~~at~~ one labour case in each of the months of July and August 1931 although there were sufficient number of births in the village during the months ~~as~~ so as to enable her to conduct the minimum number of 6 cases fixed by the Board per month. The District Medical Officer, South Kanara returned the pay bills in September last without countersigning them as required by rules on account of shortage in the number of cases conducted by her. Her explanation for the short-

turned out by her was transmitted to the District Medical Officer, South Kanara, with this office letter C.No.4431-Sub-31 dated 1-12-31 requesting him to grant the certificates prescribed in para 4 of G.O.No.942 P.H. dated 6-4-29 after reconsidering the facts stated therein. The latter again returned the bills on 12-12-31 without his conntersignature as the out-turn of one case per month in the two months was still considered by him to be unsatisfactory.

2. I approached Government through the District Medical Officer in this Office letter R.O.C.No.4431/Sub-31 dated 31-12-31 in the matter. As the District Medical Officer thereafter -- consented to countersign the bills in his letter R.O.C.No. 1591/22-2-32 a copy of which is submitted herewith, I --- withdrew my aforesaid letter to Government as per this office letter Dis.No.16 D/32 dated 22-2-32 and got back the bills countersigned by the District Medical Officer on 16-3-32. I accordingly passed the paybills for payment on 21-3-32 and preferred my claim for the contribution due from Government towards the pay of the mid-wife for the quarter ended 30-9-31 on 22-3-32 through the District Medical Officer, and the Surgeon General.

3. The Surgeon General transmitted the claim to the Treasury Deputy Collector, South Kanara for necessary payment on 5-4-32. The latter has returned the claim to me without payment as per Art 35-D-of Madras Finance and Account Code - Vol.I - on 9-4-32.

I request therefore that the Government may be pleased in the circumstances explained above, to overlook the delay caused in preferring claim for the contribution for the quarter ending 30-9-31 and accord sanction for payment of the contribution.

Your most obedient Servant,

K. Shivalaya

Contribution - Puttur Tk Bd (South Kanara) arrear subsidy. midwife at Vittal

---

The P. T. B. Puttur requests pp 4-5 cf the sanction of Govt for the payment of the arrear subsidy in respect of the midwife in the rural dispensary at Vittal for the quarter ending 30. 9. 31. The subsidy should have been claimed and drawn before 31. 3. 32 - Vide para 3 (1)(b) of G.O № 842 P.H, dt 7. 4. 30. (F)

2. It will be seen from the Pt's letter on pp 1-6 of G.O № 634 P.H, dt 16. 3. 32, that the Pt approached Govt even in Dec 1931 (i.e. long before the date fixed for drawing the subsidy) for sanction for the payment of the subsidy in question stating that ~~the subsidy~~ it could not be claimed for want of D. M. O's certificate. As it was reported that the midwife had (T)

* Vide D. O. letter dated 25.1.32 from Lt. Col. Lumsden to Mr. Gopal Menon in G.O № 174 P.H dt 25.1.32 (R)

Subsequently agreed to issue the certificate, as the D.F.B. withdrew his letter of 31.12.31 no action was called for and the papers were recorded vide G.O No 634 PH., dt 16.3.32. p 8 of T (T)

3. The Pt states that he got the bills Countersigned on 16.3.32. and forwarded them to the S.E. through the D.M.O on 22.3.32. It is seen that the S.E. transmitted them to the T.D.C. on 5.4.32. There was delay of only five days. Further, the Pt took all prompt steps to draw the subsidy in time. But he could not do so in the circumstances stated above. Thus the delay was unavoidable. ~~and Cannot be attributed to the Pt.~~ The subsidy may be sanctioned. vide para 2 on p 5 of T. ibid Due date is 31.3.32.

4. A draft order is submitted for approval, which may issue with the concurrence of Finance.

The arrear subsidy in the present case relates to the quarter ending 30-9-31 and it should have been drawn before 31-3-32.

A on page 2 C.F.

No 842 P.H (F) 7-4-30

The delay is due mainly to the fact that at first the District Medical Officer refused to countersign the pay-bills of the midwife on the ground that her work was not satisfactory.

Subsequently however he withdrew this objection and countersigned the pay bills. These were received by the President on 16-3-32.
